d-COLOR MF2603 and MF2604

COLOUR MULTIFUNCTIONAL SYSTEMS

The d-Color MF2603 and MF2604 combine state-of-the-art **security** standards with outstanding **printing quality** for colour and b/w jobs alike, as well as **high operating speeds**.

The ideal tool for workgroups with multiple operators, these **compact, quiet A4** multifunctional systems will also be appreciated by professionals looking for a versatile, productive device.

Both models provide colour print, copy and scan functions, while the MF2604 also features a fax function (SuperG3).

Running costs are extremely competitive thanks to long-life components, outstanding reliability and a standard duplex function to help users save paper: features that also reflect Olivetti's attention to environmental issues.
